**CANADIAN FAST TRACK  
LOGISTICS**

THE  
**SKY** IS OUR LIMIT

## Who We Are?

Canadian Fast Track Logistics offers local and international courier and distribution services. Expedited same-day delivery, urgent deliveries, scheduled deliveries, dedicated drivers, and warehousing & distribution are only a few of the services we provide. Dock trucks, buses, cars, and long-haul trucks are among the vehicles in our fleet. Our company offers very competitively priced services.

## Our vision

We aspire to become the premier same-day delivery company serving the courier of business and personal in Toronto and other Canadian provinces.

In a few years, we'll extend our scope to the entire country and beyond.

We want to achieve our goals by offering reliable, dependable, and accurate service to our clients at a fair cost.

## Mission statement

Our mission is to become an extension of our clients' businesses by managing all of their courier needs and delivering unmatched transportation management solutions while adhering to our core values of Reliability, precision, honesty, and customer service.

## Customer Service

is our top priority. We will respond quickly to your questions and complaints, address issues rapidly, and maintain a high standard of contact with you and your team.

If we are unable to avoid a problem, we commit to addressing it as soon as possible.

## OUR STAFF

Are dedicated to providing you with the most cost-effective and timely service. Invoicing will be conducted with fairness and precision, and our record-keeping and reporting will be of the highest standards.

# | Warehousing

If you need warehouse space on a temporary or permanent basis, Canadian Fast Track Logistics can assist you. We have several slots open right now. Your product can be packed, repackaged, and reassembled by us.

# Distribution

Canadian Fast Track Logistics specializes in the distribution of products. Whether you utilize our warehouse, deliver to us, or have us pick it up, your product can arrive at your customer within hours.

We offer any time pick-up of your products for distribution. You can process your product until late in the evening and still have it picked up and delivered by the next day. We will sort your product as needed and package it if necessary.

## Shipping & Customs Clearance

We provide a full range of services for both import and export customers. We also offer packing and crating, reliable shipping services to do the customs clearance for our customers, and any additional services performed at the customer's request or necessitated by the shipment's nature.
